

Did you just get a new LCD or Plasma TV or Digital Projector and need it set up? Do you want that awesome home theatre you can share with your freinds and family? Want your own movie screening room? Whatever your audio visual or home theatre needs, HV Tech Solutions can do it for you! We will provide you with professional and affordable installation services to make your home theatre or home audio dream come to life.

Going to your local electronics store and picking out your equipment is a lot of fun, but when you get it home what then? Equipment today is not as plug and play as they say, so that is where we can help. If you don't know what type of audio or video equipment you need, we can help there too.
